

# Monitoring for cloud and hybrid IT

Keep an eye on your infrastructure –  
anytime and from anywhere

# The benefits of IT-, OT-, and IoT monitoring: Discover what makes Paessler PRTG so special

**Our solutions make it simple for our customers to keep their infrastructure up, running, and optimized.**

Since 1997, we offer monitoring solutions for businesses of all sizes, from SMB to large enterprises, across all industries. Today, more than 500,000 users in over 170 countries rely on PRTG and other Paessler solutions to monitor their complex IT,

OT, and IoT infrastructures. We believe monitoring plays a vital part in reducing humankind's consumption of resources. Our products help our customers optimize their IT, OT, and IoT infrastructures, and reduce their energy consumption or emissions – for our future and our environment.

**PAESSLER  
PRTG  
NETWORK  
MONITOR**

The solution that brought the Paessler name into the spotlight. Use it to monitor small and midsize infrastructures.

Awesome maps and dashboards, flexible alerting, multiple user interfaces, in-depth reporting, distributed monitoring, and more.

**PAESSLER  
PRTG  
ENTERPRISE  
MONITOR**

Our specialized enterprise solution, best for large and very large infrastructures operating across multiple locations.

It's PRTG, but optimized for larger environments with powerful dashboards and support for monitoring business processes and SLAs.

**PAESSLER  
PRTG  
HOSTED  
MONITOR**

Focus on your infrastructure and leave the hosting to us. Billed monthly or annually and based on your individual usage.

Everything PRTG has to offer, made available to you from the cloud. There's no need for dedicated hardware.

# Extensions and services for an even better monitoring experience

**PAESSLER PRTG OPC UA SERVER**

**Consolidate your IT and OT views**

Paessler PRTG OPC UA Server brings monitoring data from your OT network and the IIoT into a controlled overview to give you centralized monitoring and alarms.

**PAESSLER PRTG MULTI BOARD**

**Enjoy a central overview of all your PRTG installations**

Paessler PRTG MultiBoard is a native application exclusively for PRTG Enterprise Monitor that provides you with an enterprise overview of multiple PRTG servers.

Paessler PRTG extensions

**PAESSLER PRTG SLA REPORTER**

**A sophisticated option to extend PRTG reporting features**

Our solution for the world of OT: Improved reporting capabilities for service level agreements (SLA), based on historical status data, characterize this extension for PRTG.

**PAESSLER PRTG DATABASE OBSERVER**

**The perfect tool to keep an eye on values that are business-critical**

This product extension adds new database types, such as SAP HANA and IBM DB2, to the database monitoring capabilities of PRTG.

**PAESSLER PRTG DATA EXPORTER**

**Made for users who want to connect their own analysis tools**

This extension is a desktop application that lets you work even better with metric monitoring data from PRTG and integrate it into a database management system.

## Paessler PRTG Professional Services

### TRAINING

**We'll make you a monitoring expert**

Gain practical knowledge on how to monitor your infrastructure with Paessler PRTG.

### CONSULTING

**We focus on your needs!**

Get expert monitoring advice and optimize your monitoring results with our consulting solutions.

### SUPPORT

**We're here to help you!**

Benefit from premium support. Our experts will assist you with anything you need.

**GOVERNMENT  
MONITORING**

"Insurance is a 24-hour business and we can't afford to have our data centres and applications down when our customers need help. Our technology is absolutely business-critical."

Suresh Lakshmikanthan,  
IT system Administrator, AXA Gulf

"We start managing the existing infrastructure to determine bottlenecks. Sometimes it is CPU, I/O or code-based problems. By using PRTG, we can save them from making bad decisions, saving headaches, time and money."

Jon Berry, President and Owner  
Green Olive Tree

"PRTG helps us do a better job than our competitors because we are able to monitor critical networks and react quickly before an issue spins out of control."

Ethan Quint, Clair Global

## ABOUT PAESSLER

Paessler believes monitoring plays a vital part in reducing humankind's consumption of resources. Monitoring data helps its customers save resources, from optimizing their IT, OT and IoT infrastructures to reducing energy consumption or emissions – for our future and our environment. That is why Paessler offers monitoring solutions for businesses across all industries and all sizes, from SMB to large enterprises. Paessler works with renowned partners, and together they tackle the monitoring challenges of an ever-changing world.

Since 1997, when Paessler first introduced PRTG Network Monitor, it has combined its in-depth monitoring knowledge with an innovative spirit. Today, more than 500,000 users in over 170 countries rely on PRTG and other Paessler solutions to monitor their complex IT, OT and IoT infrastructures. Paessler's products empower its customers to monitor everything, and thus help them optimize their resources.
